## Service To Humanity Is Service To Allah

### MISSION STATEMENT

"The objective for the establishment of this Shelter is to provide a culturally sensitive safe haven for abused women and mothers with children in general, and for women and children from South Asian countries in particular who had to leave their home because of abusive situation. We are committed to helping abused women and children by providing them free boarding and lodging in an environment where they can reassess their past and plan for their future. We provide them guidance, family counseling, and housing services and make them able to re-establish themselves in the society to lead a happy and prosperous life. We will serve all those women and children who seek our help through this shelter."

### OUR SERVICES

This newly renovated Muslim Welfare Home with wall to wall carpeting consists of 17 neatly furnished bedrooms, 7 washrooms, spacious living room & TV lounge, has a large kitchen with new appliances, and a children's play room etc. Security arrangements of the shelter have been enhanced - 8 additional video surveillance cameras have been installed to secure the building. We are now open 24 hours 7 days a week to provide better services to abused women and their children.
